

## **Martin Schwab**

Course: Getting-started Financial Accounting

*CFO, Axpo Holding AG, Switzerland*

*Swiss certified expert in accounting and controlling and MBA  
Rochester*

Martin Schwab has more than 20 years of experience in finance, accounting, and controlling and is currently CFO of the Axpo Holding. Before that he was CFO of Selecta Group, the European market leader in vending and had several positions within Compass Group – Selecta’s former parent company, a FTSE 100 company listed on the London stock exchange – among them group reporting manager in London and divisional finance director in Amsterdam. Schwab is a graduate of the Rochester-Bern Executive MBA program and a Swiss certified expert in accounting and controlling.
